Empowered Learners, Persons of Strength & Character

BGPS/121/23

12 September 2023

Dear Parent/Guardian

1. Term 4 Message from Principal

I would like to welcome your child back to school for the final term of the year and trust that your child has had a restful September holiday break. Term 3 was a busy term where our co-curricular activities, supplementary and enrichment programmes provided broad experiences that enabled all BGPIans to become well-rounded learners. In the midst of the wide array of school activities, significant emphasis on students' safety and security has continued to be reinforced. As part of our National Education efforts to remind students to be prepared during emergencies, a Lock Down and Evacuation Exercise was conducted in August to maintain our vigilance, and to send the message that no one should ever take safety and security for granted. I hope that students will continue to bear this in mind even as we continue to organise many activities and learning experiences in the coming term.

Guided by our school vision of Empowered Learners, Persons of Strength and Character, our Student Leadership Framework has been further developed to nurture BGPIans to lead, serve and aspire. In BGPS, our belief is that there is a leader in every BGPIan, and every student can lead. Term 3 culminated with a Teachers' Day celebration conceptualised and executed entirely by our student councillors, with the theme of an enchanted garden, laced with splendid performances. With minimal guidance by teachers, I would like to affirm our student councillors for rising to the occasion in organising a memorable Teachers' Day concert that depicted the magical role teachers play in their life, influencing and transforming them to be better versions of themselves.

I take this opportunity to thank our stakeholders – School Advisory Committee (SAC) members, parents and partners who play significant roles in the learning experiences of our students. SAC members play an advisory role for the school, parents take care of the well-being and development of the child at home while partners provide opportunities for our students especially in reading and sports enrichment, financial assistance, and students' character development. To our dedicated parents, you are the unsung heroes whose unwavering support and partnership are the cornerstone of our school's success. We look forward to working together to provide the best educational experience for your children in the coming term. Together, I am confident BGPS will continue to grow from strength to strength and scale new heights.

As we embark on Term 4, let us all remember that together, we can create an environment where every BGPIan thrives, every parent is engaged, and every teacher inspires. Do guide your child to embrace learning, celebrate the moments they have in peer interaction, and savour the time they have with teachers and peers together. Your child could also make a list of what he has learned during the entire school year and reflect on his best learning experiences nearer the end of Term 4, and more importantly, to remember to be grateful to the teachers and non-teaching staff who have contributed to his 2023 experience. Here's to a wonderful Term 4 filled with growth, achievement, and lasting memories.

2. Staff Movement

We are delighted to welcome new faces to our school family: Mr Liang Yude Lawrence (School Counsellor), Mdm Koh Poh Lin Jane (Corporate Support Officer), Mdm Song Guek Hwa (Dental Nurse), Mr Wong Wenhao (Art Therapy Intern) and Mr Muhammad Faris Luthfi B J (Physical Education Intern).
