Empowered Learners, Persons of Strength & Character

BGPS/87/23

26 June 2023

Dear Parent/Guardian,

1. Term 3 Message from Principal

Welcome back! We trust that your child has had a good mid-year break and is looking forward to Term 3 with anticipation as we have planned exciting programmes together with carefully designed learning processes. This term brings new joy as we refresh the school with redesigned welcome banners to complement our recently-concluded major renovation and repainting works in the school compound. We hope BGPIans will thrive and grow into persons of strength and character with a passion for life and learning, anchored on our highly familiar school values of Respect, Responsibility, Resilience, Compassion and Integrity.

Term 2 has been a productive one for all. We are pleased to end it with our very first Talent Fiesta! The event showcased the exquisite talents and skills of BGPIans and provided a memorable experience for everyone involved, including our alumni and parent volunteers. We have identified, shaped and developed talents in multiple domains with the intention of being a school that brings out every child's personal best, and continue to develop in our students strong character and grit. We remain committed to support and stretch individual learners while providing a positive learning environment for them to flourish. As one BGPS family, we co-created precious memories and deepened students' holistic learning experiences. With both hard work and 'heart' work, coupled with the smiling eyes of our teachers as well as your unending support, your child has flourished in BGPS.

Our dedicated staff have always been here for the students and we have done well as a school on multiple fronts as mentioned in our Term 2 achievements listed below. Beyond this, as a school, we are committed to shaping our students to be future-ready learners through quality learning experiences and made very deliberate attempts for learning to be more authentic, segmented, connected, and reflective to engender an intrinsic motivation to learn and to imbue a growth mindset in our students.

We believe that students can learn and it is our mission to help them grow and discover their talents. Similarly, parents play an important role in encouraging and motivating their children to learn. Your support and cooperation will greatly help our teachers to understand, connect and work with your child. A good parent- teacher relationship helps students to be positive about attending school. With your strong support and your child's diligent practice on the 7 habits, he will continue to develop his life-skills to grow into a whole person. We are confident that our BGPS experience will allow your child to make a mark in his own ways and discover his own strengths and passions. Let us therefore continue to work together to shape your child's resilience, positivity, and growth.

2. Staff Movement

We are delighted to welcome our very first Vice-Principal Administration, Mr Chua Kok Seng, to our BGPS family! We also welcome the following staff: Mr Nor Azarizal Bin Mohamed (Senior Teacher/PE) and teachers Ms Cheyanne Lee Gan, Ms Wong Ru Yi and Ms Chloe Lin An Chi, and congratulate the following staff on their new appointments: Mdm Shariffah Faizah Hassan (Assistant Year Head/Upper Primary), Ms Kee Ee Kheng (Senior Special Education Needs Officer) and Ms Janice Aw (Senior School Counsellor).

We would also like to bid farewell to Mdm Noorlin Binte Haron (Subject Head/Malay Language) and Mdm Nurrashidah Binte Mansoor and wish them all the best in their future endeavours.

4. Attendance and Punctuality

A gentle reminder that for students to do well in BGPS and in the future, there are two important aspects that require your close supervision i.e. your child's attendance and punctuality. We seek the cooperation of parents/guardians to refrain from taking your child/ward out of school during term time. If your child/ward is sick, please ensure that your child/ward gets the required treatment from a doctor as soon as possible. A medical certificate or a parent/guardian's letter is needed to cover the child's absence from school. Disciplinary action may be taken against students for willful absenteeism. In addition, as part of our school's continuing efforts to stay connected and strengthen school-family relationships, Form-Teachers may make home visits to engage parents/guardians for discussions on how to better support your child/ward.

5. Personal Safety in anticipation of the onset of drier weather (Haze Management)

As there is a higher risk of transboundary haze hitting Singapore from June due to drier and warmer weather conditions, we wish to remind students to take good care of their health and to stay hydrated at all times. Parents are reminded to prepare the necessary medication (if any) for your child to bring to school (e.g. inhalers) if they have any pre-existing medical condition which can be triggered by poorer air quality conditions.

6. Healthy Meals in Schools Programme (HMSP) – Rewards Card Programme

To support BGPIans' healthy-eating habits, the school will introduce a Rewards Card Programme for students who buy healthy set meals from the school canteen. With each purchase of a set meal, students will receive a sticker which they can accumulate on a Rewards Card. Upon completion of 20 stickers, students can redeem one set meal from the canteen stalls. This programme will commence in Term 3 to cultivate good eating habits among BGPIans and we hope they will consume fruit, vegetables and whole grains as part of their daily diet. We seek your strong support to encourage your child to make healthy food choices at home.
