BGPS/175/25

15 September 2025

Dear Parent/Guardian

1. Term 4 Message from Principal

Greetings and a warm welcome back to school to all BGPIans for Term 4! The final term of each year is usually one of consolidation, reflection and preparation for the following year, and as I look back at the first three terms of 2025, I am very proud of our BGPIans for raising the bar in all their accomplishments, the quality of their learning, and their performance in their daily routines. This is what really matters – their daily efforts in building themselves up, eventually leading to their holistic development as a young child, a teenager, and a learner.

BGPIans in the sports teams, for example, have outshone their illustrious seniors of the past by doing even better in the National School Games at both the Junior and Senior levels this year. Be it in rugby, football, badminton or basketball, our sports boys and girls have shown great resilience, grit, discipline and tenacity in competition. Not to be outdone, BGPIans in the aesthetics teams have been busy practising their musical and artistic skills, be it in the Malay or Chinese Dances, the Angklung or Guzheng Ensembles, or the Choir, in preparation for the 2026 Singapore Youth Festival (SYF) Arts Presentation. Our Art Club's products were also selected for this year's SYF Arts Presentation, and displayed at the National Gallery Singapore as part of SG60 Celebrations. The Brownies attained the Puan Noor Aishah Bronze Award (Best Unit Competition), while 17 Cub Scouts attained the highest Chief Scouts Award this year, which is also the first time we reaped such a great harvest of awardees. Our STEM-themed Overseas Learning Experience programme trip to Hong Kong in March this year also benefitted many of our P5s, while a second group of P5 BGPIans will be learning about arts and culture in Chengdu, China in November. We will also be welcoming a group of students from Nantou (Taiwan) in October, as part of the development of global and cross-cultural literacies.

My belief is that success in what happens outside of the classroom often breeds success within it. When BGPIans discover their interests and become passionate about their talents and strengths, this will ultimately give them that confidence to do well in their academic studies and in their overall holistic development as a person. This is why BGPS places so much emphasis on the school values, empowering students to be strong in their character, and in taking full ownership of their learning. All these require discipline, and a steely ability to stay focused in the midst of distractions, which can come about easily because of social media and accessibility of mobile devices. In this final term, I seek the support of all parents to walk the journey with our teachers even as we inspire BGPIans to remain focused for the final 10 weeks, which will comprise the consolidation of learning for the whole year, final year assessments, and other enrichment activities like our rebranded Games and Adventure Day as part of Children's Day celebrations. Our teachers will continue to ensure that quality learning and feedback takes place in the classroom, and that BGPIans continue to be reminded about the need for discipline and emotional regulation. Parents will do well to affirm BGPIans in their daily efforts, and to lend an encouraging ear to listen to and support BGPIans as we close off a very fruitful 2025.

Above all, I wish to express my deepest gratitude to all my teachers and non-teaching staff for the hard work they have put in, and the dedication they have shown to all our BGPIans. The care, professionalism and commitment of our staff have been key in ensuring that BGPS continues to thrive in an evolving educational landscape, that BGPIans may continue to have a first-class experience that is of quality and excellence. I also wish to thank all parents, especially our wonderful Parent Support Group and Fathers' Group, for the strong support you have given to me and my team, to keep BGPS going. Hereby wishing all BGPIans and our community a wonderful Term 4 ahead!
