5. For students staying beyond the maximum distance range, parents may approach the bus operator directly for negotiation of bus fares.

#### Other Information

6. We would like to highlight the following:

- a. The school bus service is provided for trips to and from the school before and after official school hours as follows:

There will be no collections for the months of June, November and December. School bus services will still be provided on every school day in the months of June and November. There are no school days in December.
- d. Parents are advised to take notes of the operator's termination clause.

#### Feedback

7. The school will continue to seek feedback from parents periodically. Parents may also provide feedback directly to the school. The information gathered will help the school in assessing the appointed bus operators' performance and decide whether to renew their contracts or go through the proposal invitation process to appoint new operators.

8. For any feedback concerning the service standards and behaviour of the bus drivers/attendants, parents may contact the school's General Office at 6442 5416.
